An isometric illustration of a large, open-plan office space. The office is filled with numerous desks, each equipped with a computer monitor and keyboard. Several people are depicted working at their desks, some looking at their screens and others talking. The office has a modern, industrial feel with high ceilings and large windows on the right side. The color palette is dominated by warm, golden-brown tones for the desks and partitions, contrasted with cooler blue tones for the walls and windows. The overall atmosphere is one of a busy, productive work environment.
